Re: Erroneous Charge Related to 10/060,035 of \$824.00

Dear Sir or Madam:

Enclosed please find copies of a Transmittal Letter (and postcard) for submission of a missing specification. The specification was sent as a missing part of an earlier filed application. The Patent Office mistakenly took this missing parts transmission for a new application and charged our deposit account \$824.00. The \$824.00 had already been paid in the earlier filed application (which has been assigned app. no. 10/059,942).

Accordingly, we request a credit to deposit account 01-0272 in the amount of \$824.00. Thank you for your assistance and please call with any questions or comments.

Very truly yours,

Steven J. Adamson
